#### Observations:

1. The overall pass percentage of 70% and the subject pass percentage of 100% reflects a commendable academic performance by the students of the Dept. Physical Education-Major.
2. The topper achieved an SGPA of 7.9, indicating a strong academic standard among the leading students.
3. The average SGPA of 6.64 suggests that the majority of students performed within the good academic range.
4. The proportion of supplementary candidates need for additional academic support and remedial measures for weaker students.

### **Recommendations:**

1. Special remedial classes may be arranged for students who received supplementary results.
2. Regular tutorial and mentoring sessions should be strengthened to improve student performance.
3. Departmental seminars, group discussions, and student presentations may be encouraged to enhance analytical and writing skills.
4. Academic recognition may be provided to meritorious students to motivate excellence.
5. Continuous internal assessment and feedback mechanisms should be further strengthened to improve future outcomes.

**Conclusion:** - The Semester–V Examination result of the Physical Education-Major students of Asannagar Madan Mohan Tarkalankar College demonstrates a satisfactory level of academic achievement. With an overall pass percentage of 70% and an average SGPA of 6.64, the department has maintained a respectable academic standard. The outstanding performance of the departmental toppers serves as an inspiration to other students, while the recommendations outlined above may further enhance the quality of academic performance in future examinations.
